

Are you a vocational rehabilitation professional in the Okanagan eager to connect with other VR professionals in your area?

An illustration featuring a grid of nine colored squares. Each square contains a stylized, flat-design illustration of a person's head and shoulders in profile, facing right. The people have diverse features: curly hair, straight hair, a beard, and different skin tones. They are dressed in professional attire like blouses, jackets, and suits. The background colors of the squares include shades of blue, green, yellow, and pink.

# OKANAGAN VR NETWORKING GROUP

We meet monthly in different locations across the Okanagan to discuss vocational topics, learn from one another, and connect!

Our meetings are held using a mixed in-person/Zoom format. If you are able, we encourage in-person attendance but if not, you can join in via Zoom.
